## Training

The first week of Easter break is completely Powerboat Training and the second week is sail training .

Powerboat Week warm clothes and water-proofs and the sailing week is wet suite and waterproofs.

Crews remember you are one crew older so if you were first crew last year you are now second crew.

St Patricks weekend if any older members are about do text n tell, as we should have a lot of house work or Boat work to do.

New Juniors start mid May If you have a friend that's not new junior status but interested do bring them along any time with you to try it out.
